Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spir ts, or other forms of dissipation. Generally iostantaneous in effect, it finds its way directly to the sent of life, thrilling and quickening every nerve, rais ng up the drooping spirit, and, in fact, infusing new health nd vigor in the statem. NOTICE, - Wheever expects to find this a heverage will be disappointed; but to the rick, the weak and low spirited, t will prove a grateful aromatic cordial, possessed of singular remedial properties CAUTION.

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland hitters a fair trial.
